Re: Mount Carmel Rugby Club's online resources

Dear Player & Parent,

At Mount Carmel High School, we are always trying to stay on the cutting edge of educational and personal development. In regards to rugby, Mount Carmel has always been raising the bar and setting the standard. We were one of the first high school rugby clubs in Illinois, and were one of the first high school rugby teams in the nation to achieve Varsity status. Our commitment to leading the way shows through our dedication to improving ourselves on and off the field.

Below you will find a list of resources that you as players and parents can use to make sure you have all the information needed to join us at the front of the pack. The below list comprises all of our online and off-field resources and information. Please read through the list, and consider taking action to make yourself part of the team.

**CaravanRugby.com:** This is the online home of Caravan Rugby. The central hub of all Mount Carmel Rugby information, this is where we post our [official schedule](#), practice times and locations, and a ton of other information. The site details [the club history, mission, and goals](#). You can also access all the required forms and paperwork, along with browsing a list of links to [helpful rugby websites](#) that teach more about the game, apparel and equipment sites, and a list of [colleges offering scholarships](#) to rugby players.

**Google Classroom:** Mount Carmel Rugby will make use of Google Classroom, an internet-based learning management system. Most of the faculty members at MC use Classroom to manage their classes, so all players should be familiar with the system. On the rugby page is where we post training modules, instructional videos, game film, workout plans, and other information. You need an access code to access the page, along with an active @mchs.org address. Parents can request to view their sons' progress by sending an email to [patrickmcgarry@mchs.org](mailto:patrickmcgarry@mchs.org), with their preferred email address, and son's name.

*Access Code: **jfq8es***

**Remind:** Remind is a communication tool used to alert players and parents to changes in the schedule or practice, match location, or emergency alerts. Alerts will be sent to your phone via text message, or through the app, which is available on the App & Google Play Stores

To sign up, text **@mcrugby** to **81010**.

You can also find all of this information on the website at [www.mcrugby.com/playerparentportal](http://www.mcrugby.com/playerparentportal)

If you have any questions, please email me at [patrickmcgarry@mchs.org](mailto:patrickmcgarry@mchs.org)

Thank you,

Coach McGarry
